

Nature Walk Checklist

Parents,

Go for a nature walk through your yard or around your neighborhood.

Have your child search for the items on the checklist.

When an item is found, your child can mark it on the checklist:

- **Make a check mark on the picture**
 - **Circle the picture**
- **Color over it with a highlighter**

If you are not able to print this sheet, you can view this file on a tablet to view as you go on your nature walk.

Name: _____

Nature Walk

Tree

Grass

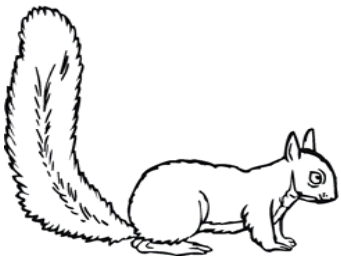

Ant

Leaf

Bird

Squirrel

Flower

Acorn

Cloud
